## Supporting Breast Cancer Research and Awareness

For 15 years, The Longaberger Company has teamed with the American Cancer Society to raise funds for research and education in the fight against breast cancer and its complications. This program is proudly known as our annual Horizon of Hope campaign. To date, our collaboration has raised \$14 million and reached an estimated 20 million women with potentially life-saving information. Visit [horizonofhope.com](http://horizonofhope.com) for more information.
