

# LONGABERGER FABRICS

## FEATURES

- Fabric liners are designed to work exclusively with Longaberger Baskets® and to complement our Pottery.
- Solid colors integrate with pottery colors.
- Fabric designs are exclusive to Longaberger, fitting our brand and collections.

## BENEFITS

- Fabrics extend functionality, decor integration and performance of baskets to complement your table and home decorating style
- Color fabric options allow for creating multiple looks and styles
- Fabrics are soil and stain resistant.
- Low percentage shrink rate ensures proper fit time after time.

## CARE

- Please see specific product accessories for care instructions.
- Air dry liners stretched over their protector for best results.
- Avoid direct sunlight to reduce color fading

## GOOD THINGS TO KNOW

- High quality standards in fabric quality.
- Solids, prints, plaids and stripes are design exclusives.
- Unique product labels identify liners to baskets.
- Fabrics are produced in “lots” and vary in color. Each “lot” is approved by Fabric Quality Technicians to assure color coordination meets or exceeds our standards.
