

Longaberger Wrought Iron Foundry Collection

Craftsmanship:

- The Longaberger Foundry Collection is craftsmanship at its finest.
- Skilled blacksmiths combine traditional methods with the most modern technology to create each unique masterpiece.
- Hand-forged details with a natural iron finish that complements our baskets and pottery
- Raw talent and raw materials unite in a flash of heat and the ringing of metal. The result is a beautiful original designed to complement your Longaberger Baskets® and Pottery®.
- Each piece has a natural iron finish as well as a maple leaf and Longaberger logo imprint that is your guarantee of a true Longaberger Foundry Collection original, which coordinates beautifully with other Longaberger Foundry pieces and works with any décor.

Quality:

- Organize your life, serve family and friends or decorate your home with pieces designed to work with Longaberger Baskets® and Pottery®.
- Black Wrought Iron Foundry Collection with the maple leaf and scroll design to coordinate beautifully with other Longaberger Foundry pieces and work with any décor
- The maple leaf design symbolizes strength and enduring Longaberger quality.
- Choose Warm, Rich or Deep Brown WoodCrafts Shelves for our Wrought Iron pieces.

Care:

- Dust regularly, using a soft cloth.
- Clean using a mild soap and damp cloth, do not use products containing bleach on the wrought iron.
- Although sealed from the elements, your wrought iron accessory could use an occasional application of furniture polish to help prevent the formation of rust. However, if rust appears use a fine steel wool to polish off the rusted area.
- If using your wrought iron accessory in humid conditions, we recommend using Johnson's® Floor Wax or Future® Floor Wax.
